| Colour                      | Meaning                                                                        | Action                                                                                  |
|-----------------------------|--------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------|
| ■ YELLOW ROW                | Unsigned key issue                                                             | CGC candidate — press first, then grade. Check CGC col for red flag.                    |
| ■ GREEN ROW                 | Signed book                                                                    | CGC x JSA (Yellow/Black CGC x JSA label) or Terrificon Yellow SS. See CGC Strategy tab. |
| ■ BLUE ROW                  | DC Comics                                                                      | DC publisher. DC-specific Terrificon guests for Yellow SS opportunities.                |
| ■ PEACH ROW                 | Marvel Comics                                                                  | Marvel publisher. Check CGC Private Signings tab for open submissions.                  |
| ■ WHITE ROW                 | Non-key / indie / other publisher                                              | Standard reading copy. eBay or Whatnot lot filler.                                      |
| ■ RED CELL (Col 16)         | CGC submission recommended                                                     | This specific book: press, then submit to CGC. High ROI expected.                       |
| ■ ORANGE CELL (Col 15)      | Pressing needed before CGC                                                     | Do NOT submit to CGC without pressing first. Condition will be locked in permanently.   |
| ■ PURPLE CELL (Col 27)      | Confirmed Terrificon 2026 guest                                                | Bring UNSIGNED books by this creator to Terrificon Aug 7-9 for Yellow SS label.         |
| ■ BLACK CELL (Creator cols) | Deceased creator                                                               | Historical provenance. Authenticate via CGC x JSA or PSA/DNA. Cannot get Yellow SS.     |
| PLATFORM COL COLOURS        | Green=Whatnot   Gold=eBay   Orange=Whatnot+Heritage   Purple=Heritage/CGC only | Purple platform = too valuable for raw Whatnot. Grade first.                            |
