2. Pre-filled forms: have every book's form already filled out at home — title, issue, creator, service level.
3. Every book must be in a mylar bag + backing board before CGC will accept it.
4. After each signing, walk directly to the CGC booth with the book. Don't leave it in your bag overnight.
5. CGC will give you a receipt. Photograph the receipt + the book before surrendering it.
6. Yellow SS = CGC witness WAS PRESENT at signing. If witness wasn't there, it's Green Qualified.
7. Confirm Agent of Slabs or the authorized facilitator's name before arriving at the con.
